## Unclaimed Property Policy

### **Purpose**

To define the Fulham United Football Club (FUFC) handling, retention and disposal of Unclaimed Property.

### **Definition**

Unclaimed Property is any property that has not been claimed by the rightful owner.

Unclaimed property shall include:

- items found on Fulham United FC grounds or playing venues.
- Items ordered through the club or its agents and not claimed at the designated distribution date.
- Items that constitute membership entitlements made available for distribution and not claimed.

### **Process**

Defined unclaimed property shall be stored in the Fulham United FC clubrooms. The onus is on the property owner to approach Fulham United FC administrators or staff to claim the property. It will be determined by Fulham United FC administrators or staff if the property claimant is the rightful owner of the property.

If unclaimed property has not been claimed by the rightful owner by September 30<sup>th</sup> of the season year, the property will be disposed of at the discretion of Fulham United FC.
